Dear Matt:

Thank you for your services with the Video Disc Monitor System in our Visitors Gallery. The system and presentations are exceptional; even better than we first envisioned. Your designs and workmanship made the project a grand success.

It was a pleasure working with you and your staff especially D K, M M and J H. They are knowledgeable and friendly and we appreciate their efforts. The outstanding finished product will be enjoyed by over 300,000 annual Mint visitors.

Sincerely,

E Mc
