

Philadelphia Prison System
Department of Facilities Management

MEMORANDUM

From: W **Prison Maintenance Service Director**

RE: Letter of Recommendation

To whom it may concern:

This letter is to serve as my formal recommendation for Audio Video Repair, It has been my experience in dealing with AVR for the past five years that they have been excellent in dealing with the many complex Issues here at the Philadelphia Prisons, in recent during the mandated conversion of analog TV signal to digital, AVR provide us with the expertise and manpower in rewiring our facilities in the most cost efficient manner, This project is one of many that AVR has provide to us, it is my sincere gratitude in providing this recommendation for all the outstanding service that you have provide us

W
Prison Maintenance Service Director
